

# Introduction to Augmentative and Alternative Communication (AAC)

Presented By: Jodi Bloomgarden, MS, CCC/SLP & Margie Tanner, MS, CCC/SLP

Held virtually November 8, 2023 12pm-1pm

AAC can be used to supplement or compensate for students who experience severe expressive communication difficulties. This workshop will focus on information regarding AAC for parents whose child is not yet speaking or might use minimal expressive language. It will cover general information on picture-based systems (low tech), as well as speech generating devices (high tech).
